Fees are calculated over a 12 month period and paid over 11 equal instalments. Bookings can be made for 39 or 46 weeks per year. We are happy to work out your personal payments (including the benefit of Free Entitlement. See below.) Fees are charged one calendar month in advance by standing order.

A breakfast, after school and holiday club is also available for children up to the age of eight.

Breakfast	8-8.45am	£4.23 per session	36 weeks charged in 11 instalments
After school	3.30-5.15pm	£10.97 per session	36 weeks charged in 11 instalments
Holiday club	8.45 am – 3.30pm	£41.20 per session, wrap around available at breakfast and after school rates.	10 weeks to include half terms and 7 weeks school holiday. 2 payments in November and March.

Government Funding is available, known as Free Entitlement, from the term after your child's third birthday until they are six. To gain fully from the kindergarten families are required to attend a minimum of 3 days per week and in doing so will be able to access the weekly full Free Entitlement.

In using the Full Free Entitlement (£3.90 per hour for up to 570 hours a year) this will equate to approximately £200 saving per instalment)

We also work with employers who wish to offer financial support for childcare. Childcare Vouchers are accepted so long as fees remain paid in advance. Employers may also pay direct and avoid the 'mark up costs' involved in using Childcare Vouchers.
