In 2017, 92% of St Mary's GCSE entries were graded A*-C

Students at St Mary's again achieved an excellent set of GCSE results in the summer of 2017.

90% of the 41 St Mary's GCSE candidates achieved a minimum of five A* to C, or level 4 and above, grades, with 22% of all grades A*/A, or grades 7 to 9 including Mathematics and English. Overall 92% of all GCSE entries at St Mary's were graded A* to C, or level 4 and above. Performance at GCSE is high year after year, despite the fact that the school is not academically selective.

Year 11 leavers' destinations

A great deal of time is spent with Year 11 students to make them aware of the choice of further education available and to ensure that their chosen path is the most suitable for them. Students choose from a range of state and independent schools, with many securing sixth form places at the high-achieving grammar schools. As a 'linked school', every St Mary's student is guaranteed a place at The Sixth Form College Colchester, which is in the UK's top ten.

Sixth form destinations 2017

Boswells School	1
Chelmsford County High School	1
Colchester Institute	1
