Year 11 leavers' destinations

A great deal of time is spent with Year 11 students to make them aware of the choice of further education available and to ensure that their chosen path is the most suitable for them. Students choose from a range of state and independent schools, with many securing sixth form places at the high-achieving grammar schools. As a 'linked school', every St Mary's student is guaranteed a place at The Sixth Form College Colchester, one of the most successful 16-19 providers of general academic sixth form education in the country.
