### **KS1 Teacher**

St Mary's is a highly successful Girl's Day School, founded in 1908. It is a Company Limited by Guarantee and truly independent i.e. not part of a group. The pupils are aged 3-16 years and spread across a Lower and Senior School, which are located on two sites, approximately 3 miles apart and set in attractive surroundings.

As well as providing an exceptional academic education, we encourage our girls to develop a positive "can-do" attitude; both during lessons and in the wide variety of extracurricular activities on offer. We want them to participate, join-in and gain from the education at St Mary's and to take this confident approach with them into their future work and lives.

As a highly committed, enthusiastic teacher, you will have an interest in current ideas about teaching, along with a commitment to improving and developing your own practice. You should be willing to take on responsibilities which will enable the students to continually be given the best opportunities to succeed and to fulfil their potential. You will also be expected to become fully involved in the broader life of the School, taking on responsibility for extracurricular activities, events and fundraising, as well as Enrichment activities.
