ISI Inspection Report Highlights

We are delighted that following our recent Independent School Inspectorate (ISI) inspection, St Mary's has been rated excellent. This is the highest award and covers 'the quality of the pupils' academic and other achievements' and 'the quality of the pupils' personal development'. I have great pleasure in sharing highlights from the report and I would like to take this opportunity to thank all the pupils, parents, staff and Governors for their support in achieving an excellent outcome. I am very proud to be part of such a wonderful community which puts the pupils at the heart of everything we do.
